iHASCO is a privately-owned company that currently provides comprehensive online training to thousands of organisations worldwide. With over fifty year's combined experience in developing and delivering tailored learning solutions, our products effectively support businesses in their endeavours to comply with legislation, reduce accidents, and generally build a safer, better educated and diligent workforce. In our continuing efforts to improve the quality of our training, we are approved by IOSH, IATP, RoSPA and we're also accredited by the CPD.
