

Returns Policy

As part of our ongoing commitment to providing the best possible customer service around, we are proud to honour a 14 day returns policy.

We believe you have the right to change your mind – so if you purchase training from iHasco and then decide we're not right for you, you're entitled to a full refund within 14 days.

This policy is subject to fair usage; if one or more staff members have fully completed a training course, or iHasco deems the Client to have attempted to take advantage of the product before claiming a refund, this policy will be invalidated.

Don't forget - we also offer a completely [free 14-day trial](#) or any of our Health & Safety or HR titles so you can make absolutely sure our training courses are right for you before you buy!
